Karl -

I am not certain whether you have the results for the homes where you will be meeting with the residents later this week.

I will send this in two e-mails - so I don't overload the system. Please note that we re-issued the data reports earlier today due to the formatting issues discussed in the attached cover letter. The PDFs attached below are the newly issued reports. As noted in the cover letter - the actual results did not change from the earlier reports.

PLEASE contact me with any questions and/or if you need additional info to prepare for the appointments.

Thanks!
